

# NEW PRODUCT

ABSS are excited to announce the inclusion of **Armex™ Flow Formula XL Bi Carb Soda** to our Abrasive Media Range

Formulated for use with Baking Soda based delivery devices.

## Features and Benefits

- Free Flowing qualities reduce flow problems associated with other baking soda-based blast medias
- Can be used Wet or Dry
- Contains MoistureGuard™ 8 for the greatest water tolerance - 8 times greater than baking soda alone
- Water Soluble - Eliminates media residues concerns, simplifies clean-up & disposal; less solid waste generated
- Safe to use on virtually any substrate, including delicate surfaces, rotating equipment & moving parts
- Does not remove metal
- Nontoxic & nonhazardous. Contains no solvents or caustic chemicals; reduced air pollution
- Contains no free silica and is nonflammable and nonsparking.
